The supply chain issues have now been resolved and we are on the growth trajectory with many new initiatives planned for the coming year. We will be expanding our product offering, focussing on the same store growth and develop our E commerce business to reach out to our consumers even in the remote markets.*

We are constantly making advancements & introductions to our product ranges not only in styling of the designs but also in materials & technology. We want to become the Pioneers of Comfort footwear in the country with our extensive offerings from Hush Puppies, Naturalizer, Scholl and Comfit range.

We have launched the Loyalty Program called “The Bata club” to help us to understand our customers better in the long run. Also, a lot of focus is now put on enhancing the customer’s shopping experience within the store and the same is done through an aggressive training program for the sales staff.”
